Dear Mr. & Mrs. Peterson:

I wish to take this opportunity to express my sincere appreciation for your support as evidenced by your recent contribution. Your help and that of many others are the reasons that we are able to carry out our campaign and reach the public with our message.

Since my election to Congress in 1978 I have not forgotten that people such as yourself believe enough in me to help. Without that our victories would not be possible.

I will always endeavor to conduct myself in deed and word to merit your continued support and respect.

Thank you.

Sincerely Yours,

Chip
